KING COUNTY FAIR

Let me begin by thanking all of you that participated in this year's King County Fair. I had the privilege of interacting with the entire project areas represented. It was a time of great joy for me to see members, volunteers and parents working diligently to present to the public the essence of what 4-H is all about. The essence conveyed caring adults working with young people to create demonstrations and achievements that were second to none.

I was proud to be affiliated with you and vicariously felt your joy and sometimes your frustration. Turn any frustration into a desire to do better the next time. You are in the game participating, and not on the sidelines, and that in itself makes you a winner. Remember, 4-H and its mission is to prepare youth to be caring, capable, contributing, and productive citizens. You have made us true to that mission.

I would like to praise each and every one of you for making the 4-H program in King County a model for others to follow.

Sincerely,

Carris

General Overview

If you are taking an animal to the State 4-H Fair there pre-entry forms should have been filled out at the Fair. The information that was filled out at the Fair includes Exhibitor Information sheet and an Animal Entry form. These two forms were then put into a large envelope with the Exhibitor address on the outside. These envelopes are then filled with exhibitor letters and sent to each exhibitor along with 2 fair tickets.

The purpose of 2 tickets is to get the exhibitor and a parent into the fair for the first time. It is then your responsibility to go to the State 4-H Fair office to get the rest of the tickets that you need for all of the activities a 4-H Member is doing.
